

Items for the Daily Log - 6 January 1953

25X1A

2. Mr. Houston and I met with Mr. Jones, Assistant Director of the Bureau of the Budget, to clear up final technicalities in connection with the proposed CIA legislation. We also agreed that the approval of the design of the National Security Medal should be done by the Executive Secretary of the National Security Council in view of the fact that the DCI did not wish to appear by name in the Executive Order.
